Web Page:

Kaneohe is my community and home. Three generations of my family have lived in Kaneohe. It is the place that my grandparents moved to in 1954, where my father was raised, and I was born. I graduated from Maryknoll Schools, attended Whittier College in California and returned home to graduate from Hawaii Pacific University with a B.A in Justice Administration.

I currently work at the State Capitol and have worked there for three years. I serve on the Kane'ohe Neighborhood Board, Kane'ohe Bay Regional Council, and volunteer as a Senior Shuttle driver during the bus strike. I am also a proud member of the Kane'ohe Lions Club.

There are several ways I believe we can improve the morale of Kaneohe, and of the State in general. I will work to provide our community with a youth center, a free shuttle service for our seniors, and enhance the beauty of Kane'ohe.

My heart resides with the windward community and I plan to raise my family here as well. I want to help Kaneohe continue to be an area that is safe, enables students to obtain a good education, and utilizes the unique environmental and cultural resources available. I hope to honor my parents' wish of remaining independent throughout their lives, by targeting senior issues such as safe and easily accessible travel. The well-being of Kaneohe is important to me and I will work to develop the community's future.
